COACH ASSESSMENT:

We created many chances throughout the match and finished 2 as the match went on. It seemed we were reaching some of our goals by hitting the frame more often, but we were shooting at the keeper often. We must stay composed and finish into the corners looking backpost more often rather than near post. Defensively we can still recover quicker and get into better cover positions behind a pressuring teammate. It was a good come back tie that in my opinion should have been a win.

NOTABLE PERFORMANCES:

Dane Morris: Dane was solid in the back closing space down, winning balls in the air, and kept the ball for us well.

Eddie Medina: Eddie scored his first UDA goal for us to bring the gap to 2-1. He worked hard on both sides of the ball.
